

# USHARAMA COLLEGE OF ENGINEERING AND TECHNOLOGY (AUTONOMOUS)

TELAPROLU, VIJAYAWADA

## DEPARTMENT OF MECHANICAL ENGINEERING

### 3<sup>rd</sup> YEAR INDUSTRIAL VISIT INFORMATION

Name of the industry: APSRTC ZONAL WORKSHOP, VIDYADHARAPURAM, VIJAYAWADA.

Date of visit: 17-08-2023

Number of students visited: 27

Year: III-B.Tech

Faculty assisted: Mrs.K.Vidya and Mr.B.Nani

#### About the Industry:

APSRTC was formed on 11 January 1958 as per "Road Transport Corporations Act 1950". Earlier, it was a part of Nizam State Rail and Road Transport Department. APSRTC is working from Vijayawada (Pandit Nehru Bus Stand) as Headquarters for the state of Andhra Pradesh. APSRTC Workshops are established in each Zone. These Zonal Workshops are meant to revive the used engines, gear boxes, rear axles and other units from the depots, service them as per the corporation prescribed standards and return these to the depots for further use. The zonal workshops have elaborate infrastructure to take up repair and servicing of all types of buses and their units. APSRTC has a target to convert its entire bus fleet to electric buses - using both battery electric buses and fuel cell buses by 2029
