## Minutes of Academic Council Meeting held on 31.07.2020

1. Principal extended a warm and hearty welcome to honourable members of Academic Council.

2. Dean Academics presented the agenda points.

3. The details of Board of Studies meetings conducted by various departments were noted by council and approved the same with minor suggestions (Resolutions:5,6,7,9).

4. It is resolved to offer 3 subjects under each Open Elective uniformly for all the branches.

5. It is suggested to include Professional Ethics and Human Values course in all branches.

6. It is advised to allocate credits for Mini Project in II year if possible, otherwise choose appropriate title for it.

7. It is resolved to alter the subject title of "Electrical Circuits and PSpice lab" as "Electrical Circuits and Simulation Lab" in III semester of EEE course structure.

8. It is suggested to maintain semester wise credits same for all the branches to the possible extent, even though the total credits at the end of four years is 160.

9. It is advised to maintain integer values for semester wise total credits for all the branches to the possible extent.

10. It is suggested to implement "Mentor Mentee System" for improving the Academic Performance of the students. It is already existing. However it can be fine tuned.

11. Members have suggested to conduct "Industry-Institute programmes" to the faculty as well as students to improve practical knowledge, programming skills, innovative thinking and make them aware of recent trends and technologies.

12. The meeting was very interactive and Principal expressed his happiness for fruitful discussions and excellent guidance being offered by all the honourable members for overall development of the Institution.
