

Aids awareness programme

A rally was taken out to mark World AIDS day on Thursday. Over 82 students participated in it. The rally began at the College to Pottipadu village and again back to College. HIV/AIDS is plaguing the entire world and the national AIDS control department is working to check the menace. People in the age group of 15 to 49 were the most vulnerable to the virus. HIV/AIDS will have its influence not only on the families but also on the country. Volunteers created awareness of the protection of HIV/AIDS by placards to the public. Dr. V.Srihari babu, NSS Programme Officer monitors the program.
