

## Swachh Bharat

The NSS Unit of Usharama College organized a **Swachh Bharat – Campus Cleaning Program** on the college premises. The main objective of this program was to create awareness among students about the importance of cleanliness and to contribute towards maintaining a clean and green campus.

On this occasion, NSS volunteers actively participated in cleaning different areas of the campus including classrooms, corridors, playground, and garden surroundings. The volunteers also collected plastic waste and disposed of it properly. They motivated fellow students and staff to keep the environment neat and clean by following the principle of “Clean Campus, Green Campus.”

The program also emphasized the message of the **Swachh Bharat Abhiyan** initiated by our Hon’ble Prime Minister, encouraging every citizen to take responsibility in ensuring cleanliness in their surroundings.

The college management appreciated the efforts of NSS volunteers for their dedication and teamwork in making the campus a clean and healthy place for learning.
